## ● REGISTRATION/FINANCIAL OBLIGATION

### To Register For Classes

If you have *previously* enrolled in an undergraduate or graduate Mansfield University course, just complete the course registration form and return it to the Academic Records Office in South Hall.

If you are taking an *undergraduate* course at MU for the *first time*, complete the course registration form *and* the application form. Return them to the Center for Lifelong Learning, Doane Center 209.

If you are taking a *graduate course* at MU for the first time, complete the course registration form *and* the application form. Return them to Connie Christley, Admissions Office, Alumni Hall.

You can calculate the cost for summer enrollment by completing the billing form at the back of the catalog. By meeting the registration deadline, you will receive an invoice. We must receive payment by the due date on the calendar (page 1).

Failure to meet your financial obligation by the due date may prevent you from registering for future courses and receiving academic transcripts. The minimum amount required by the due date is your total *fee*, less financial aid, *divided* by two, *plus* any beginning balance.

Payment of the minimum amount due will allow you to defer the remaining balance due as indicated on the summer school calendar (page 1). Failure to make full payment will automatically incur a deferred payment fee of \$25.

All checks should be made payable to "Mansfield University." Please include your social security number or account number on all checks.

Third party payment approvals, indicating the amount they will pay, are used as credit against your account. All other fees not paid by the third party are subject to the policy listed above.

**Note:** If you have an outstanding balance, we cannot register you for summer courses until the account has been satisfied with the Revenue Office. If you're not certain about your account

balance, or have any payment problems, please contact the Revenue Office at 570-662-4888 before trying to register.

### Important Notes

- You may enroll in summer courses without formally being admitted to the university — call the Center for Lifelong Learning at 570-662-4244 or 1-800-661-3640.
- Registration in summer courses does not imply admission for the academic year.
- Each summer session offering is contingent upon adequate enrollment in the judgement of university administration.
- If you decide to cancel your registration prior to the first date of the session, contact the Academic Records Office. Your courses and their subsequent charges will be dropped. *Failure to attend class(es) does not constitute withdrawal from registered course work.*

### Late Registration

You may register for courses after the registration deadline under two conditions:

- there must be space available in the course;
- you must make payment with your registration.

The Academic Records Office (South Hall), the Campus Bookstore (Alumni Student Center), and the CCSI Office (also in the Alumni Student Center; this is where you get your student identification card) are open Monday through Friday during normal office hours, and also will be open the following dates and times for late registration.

**FINANCIAL AID INFORMATION**

To apply for financial aid for summer courses for 2000, you must have completed the Free Application for Federal Aid (FAFSA) booklet.

If you are applying for financial aid for any enrollment period beginning *before* June 26 (Summer Session I-A, I-B), you must use the 1999-2000 FAFSA form.

If you are applying for financial aid beginning on or *after* June 26 (Session II), you must use the 2000/2001 FAFSA form.

If you're applying for a loan under the Federal Family Education Loan Program, you should apply about eight weeks before the beginning of the appropriate summer session. Also, for returning students, there are a limited number of work study positions available. Our Financial Aid Office must receive a copy of your social security card, your driver's license, a completed I-9 form and your tax paperwork *no later than May 1*. SE-1's must be in the payroll office before you begin working.

If you're a Pennsylvania resident, you may also be eligible to receive a PHEAA grant for summer courses if you're enrolled for 12 credits during the summer. You may be eligible for a part-time state grant if you are a part-time student.

Bachelor's degree candidates may only receive a PHEAA grant for eight semesters, and if one semester is used during the summer, it may impact your PHEAA aid during your senior year. Part-time grant recipients will be prorated over a longer period of time in determining their maximum award. For further information and assistance, contact the Financial Aid Office, in 104 Alumni Hall, 570-662-4129.

## GENERAL INFORMATION

### Online Course Offerings

MU's Online courses offer you the convenience and flexibility of attending classes from your personal computer. You can enjoy all of the advantages of taking an on-campus class with one exception – no commute!

The following online courses are available this summer:

**DIT 211 (190), Intro to Nutrition**  
*(matriculated RN to BSN students)*  
**ENG 112W (190), Composition I**  
**GEL 102 (190), Environmental Geology**  
**PSY 212 (190), Human Sexuality**

For course information visit the web site at [www.mnsl.edu/depts/conteduc](http://www.mnsl.edu/depts/conteduc). Contact the Center for Lifelong Learning by e-mail: [knorton@mnsl.edu](mailto:knorton@mnsl.edu); or call 1-800-661-3640 if you have any questions. Spaces are limited in our online courses, so early registration is encouraged.

### Graduate Students

If you're enrolling for MU courses for the first time, please do the following:

- supply an undergraduate transcript;
- pay the \$25 initial application fee;
- indicate whether you are degree seeking or non-degree seeking.

We encourage you to make a decision early so we can assign you an appropriate advisor. However, you must declare your degree or non-degree seeking status before you've taken 12 credits of graduate work.

If your goal is to earn a master's degree, please contact the Graduate Admissions Office for complete information regarding application requirements for your particular degree.

### Add/Drop Policy

All add/drops should be processed through the Academic Records Office where forms are available. Please see the calendar in front of the bulletin for exact dates. If a course is properly dropped during the drop period, the course and its corresponding credit hours are removed from your record, and charges are adjusted accordingly.

### Withdrawal From A Course

Don't confuse this procedure with the Add/Drop procedure above. Dropping a course during the drop period at the beginning of a session removes the course and its credit hours from your record. You may withdraw from a course until the dates indicated on the Summer School calendar for the appropriate

session and receive a "W" designation on the transcript. Pick up withdrawal forms from the Academic Records Office in South Hall. You and your instructor must sign it, then return the completed form to the Academic Records Office.

There is no refund of fees for withdrawal from a course.

### Withdrawal from the University

If you want to withdraw from the university, you may do so by submitting a *Withdrawal From The University* form to the Provost's Office. This form is available in the Academic Records Office or the Provost Office.

### Campus Bookstore

The Campus Bookstore in the Alumni Hall Student Center, room 224, is open Monday - Friday, 8 a.m.- 4 p.m. (See additional hours under "Late Registration"). Students registered for an off-campus course at a site other than Robert Packer Hospital should order their textbooks from the MU Campus Bookstore. Call 1-800-577-6798 and have your credit card ready. Shipping charges will be added.

### I.D. Cards

I.D. cards are \$5 and may be obtained from the CCSI Office in the Alumni Hall Student Center, room 327 during regular hours of 8 a.m.- 4 p.m., or until 6 p.m. on May 15 & 16, June 5, 26 & 27. *You must have an MU ID card to check out library materials.*

**Off-Campus Students only:** For students taking all coursework off-campus through distance education technologies, or at off-campus sites, call the Center for Lifelong Learning to obtain your I.D. cards.
